

Class Dates: July 22, 23, 24, 25

Location: John Wood's main campus, enter at the Paul Heath Community Education Building

Summer Session24 Course Descriptions

(Choose One for the 9:00-10:20 Class)

Course: **Food Science**

Tuition: \$50

Can you use the sun to cook? Can we bake a cake in minutes? How about 5-minute ice cream? In this class you will discover basic science principles by doing fun cooking projects and experiments. And yes...you will be able to taste the results!

Course: **Identity Quest**

Tuition: \$50

Discover your alter ego! If you like to create 3D art that shows more about you, this is the class for you. You will use all sorts of materials to create a mask that reflects your superpowers!

(Choose One for the 10:30-11:50 Class)

Course: **Performing Arts**

Tuition: \$50

This class will introduce students to various elements of performing through group activities. Music, movement and role-play will create a fun, energetic experience!

Course: **Say it BIG!**

Tuition: \$50

What do you want to say to the world? Would you like the chance to get your message out in a BIG way? If you love being creative and working as a team, this class is for you. We will design and create a mural that shows both our individual creativity and our unity.
