## FINAL EXAMINATION WEEK SCHEDULE FALL SEMESTER 2024

Final exam periods for semester classes have been scheduled during the week of December 10 through December 13, 2024, following the conclusion of classroom work for the semester on Monday, December 9th.

All instructors are expected to administer some kind of meaningful activity during finals week for each of their face to face or online classes: either a comprehensive final, the last unit test, a special exercise, or something similar. Exceptions to this practice can be made for unusual situations, but only with prior approval from the vice president of academic and student affairs or in cases of emergency. If giving an online final for a f2f course, the deadline cannot be any earlier than the times listed below.
